Policies

Cancellations/ Missed Appointments

If you cannot keep your appointment, please notify the spa by telephone a minimum of 24 hours before your scheduled appointment time. The full service amount will be charged for missed appointments, no-shows, and same-day cancellations. Once a client has accrued three (3) missed appointments in a calendar year, they will be prohibited from booking future services with us or will be asked to pay for their services in advance. This policy is strictly enforced. A deposit or credit card number may be required to book services 60 minutes or longer in duration or to book multiple same-day services.

Arrival Time, Personal Information & Privacy

We ask that you arrive a minimum of 15 minutes prior to your appointment. Late arrivals will not receive an extension of service or treatment time as this would inconvenience other spa clients. Depending on your service, you may be required to sign a release form or provide additional personal information. Personal information will never, under any circumstance, be shared with a third party and will be stored in a secure, password-protected database accessible by spa management only.

Refunds

At the Spa at Eagle Rock, we stand behind our work 100% and will gladly offer adjustments if you are unhappy with the quality of your service, free of charge, so long as you notify us within one week of your original appointment. We cannot provide refunds for products and services. However, if you are unhappy with a purchase, we will gladly exchange it for you.

Property Owner Discount

Eagle Rock property owners, along with members of their immediate household, receive 25% off all services and products. This discount will be applied at time of checkout.

Availability

Services are subject to staffing & product availability. While we occasionally have same-day appointments available, it is strongly recommended that you schedule your appointment a minimum of one week in advance.

Minors

All children under the age of 18 must be accompanied by an adult. For legal reasons, minors may not pay using their parents' credit card. If paying with a credit card or gift card, the cardholder must be present at time of checkout.
